We need your help to support our work for Auroville.

AVI UK needs its friends' support to continue its work, and invite anyone interested to contribute to our work by paying a subscription. We would like to stress the importance of your subscription, as this money helps support our activities, enabling us to continue our work for Auroville. Many projects in Auroville, particularly those concerned with work in the villages, rely heavily on the work of the AVI centres to raise funds, working in collaboration with agencies such as the European Commission, so please contribute if you can.

Please return the form with your subscription.

We need to know if you are still interested to receive our newsletters and invitations to our meetings. If you would like to continue to receive information, but would prefer not to pay a subscription, or if you are **no longer interested**, please indicate by ticking the appropriate box below. If you already pay a covenant, or standing order, please fill in the form anyway so we can keep our address list up to date.

As a registered charity, AVI UK can claim back tax on any money donated. If you would like our work to benefit from this, please sign the declaration below.
